Subject: Revised advisories to Agriculture Universities during covid-19 pandemic

Dear Sir/ Madam,

The ICAR has issued a detailed advisory vide DO letter no. DO-1/21/2020/EQR-Edn dated 08<sup>th</sup> May 2020. Under **Student Research and Its Evaluation**, it has been mentioned that "The M.Sc. or Ph.D. students, whose maximum period for submission of their Dissertation/Thesis prescribed under relevant rules / regulations of the concerned universities is expired/expiring during the Corona pandemic period, may be allowed to submit their Dissertation/Thesis, including completion of pending formalities, within six months from the date of expiry of regular prescribed period. The extension of six months may also be considered for those students who are yet to submit their Dissertation/ Thesis" In view of the prevailing situation and based on the UGC directives on extension of thesis submission, it has been decided to provide further extension of 6-month time for thesis submission.

With Kind regards!

Yours sincerely
