Dear Sir/Madam,

Greetings from Administrative Staff College of India!

We will be conducting a 5-day intensive training cum workshop on **Managing Technology Value Chains for Directors & Divisional Heads** of Science and Technology organizations from **July 25-29, 2022**. This exclusive 5-day programme is sponsored by Department of Science and Technology.

The programme is aimed to stimulate discussion and debate among directors and division heads at improving management of technology value chains in their respective S&T organizations. In brief the programme has the objective of developing capacities of top managerial S&T organizations on management of technology value chains so that good technology can be converted into great products and services. The course will have the following contents:

- Technology Value Chain concepts and skills
- How value can be added through the commercialization process
- What venture capitalists seek from techno-entrepreneurs
- Intellectual property rights protection and related strategies
- Business Plan
- Innovation management

The course begins from **July 25, 2022** and ends on **July 29, 2022** and will be conducted at Administrative Staff College of India, Bella Vista, Hyderabad.

We request you to participate or nominate two of your Scientists (levels G, H and equivalent) with work experience of 21 years and above. Age should not be more than 58 years as on 1 July, 2022. Please note as per DST guidelines only two participants per Institute are allowed. Nomination form in the format set by DST is hereby enclosed for immediate application. Nominations will be accepted on first-come first-serve basis since there are limited seats in the programme. **Please note that DST sponsors the programme fee of the participants, which includes board and lodge, tuition fee and related expenses. However, travel expenses must be borne by the respective sponsoring organisations.**

We would be pleased to provide further information as required. Please mail us at **vallim@asci.org.in**

I look forward to meeting you in person for the programme at ASCI.

Best Regards.

Valli Manickam
Programme Director

ABOUT ASCI

ASCI is the first management development institution set up in the country at the instance of the Government of India and industry in 1956 to impart state-of-the-art management education for practicing managers, a legacy that we proudly take forward with a strong alumni of over 1,57,000. We are proud of our alumni which includes the leaders of Indian industry and senior Civil Servants in the government, public sector undertakings to be a part of this unique organisation. We are thankful to you all for the support extended in the past and look forward to your continuing patronage in 2022-23.

Also, ASCI conducts customized programmes for Government of India, State Governments, Public Sector, Private Sector and various international organisations. Our experienced faculty brings to the table a wealth of academic credentials, rich industry exposure and act as a catalyst in the classroom discussions, case study analyses and tutorials. Our faculty also conducts international programmes which provide an exposure to the global best practices. In addition to this, faculty at ASCI also carry out large number of management research activities (typically about 100 each year) which helps them provide the much needed value addition in the training programmes. In addition, we conduct non-residential programmes at our New Delhi Centre as well as off-campus programmes at the venue of the client's choice.
