No.16 (06)/2015-Estt.III

Dated the 8<sup>th</sup> September, 2015

**Circular**

This is regarding medical claims submitted by serving employees/pensioners of ICAR Hqrs. for grant of ex-post facto approval and sanction of Medical Reimbursement thereof for treatment taken by them/their dependent family-members in non-emergent circumstances.

Off late while examining some cases it has been noticed that the treatment has been taken from Private empanelled Hospitals and at no point of time during the treatment the employee/pensioner had approached the Govt. Hospital/Dispensary for treatment/referral. In such situations it has become difficult for the office to settle the claim, if any, of the pensioners/employees for reimbursement. It has been decided with the approval of the Governing Body, ICAR that from now onwards such claims for reimbursement will be admitted only if a certificate from Govt. Hospital/dispensary certifying the course of treatment is enclosed with request.
